YOUR DRAWING OF A MONOLITH

# ANSWERS TO Second Review, VOLUME I, LESSONS 1-17

## Lessons 1-5

1. mongram
2. semitropical
3. vital, vitality
4. asset
5. wysiwig
6. unified
7. cascaded
8. di- or bi-. Di- is the better answer as it is Greek for two; mono- is also Greek
9. Answers will vary.
10. uninformed, because it does not use the prefix “uni-”
11. seminary: when pronounced, one doesn’t hear the “semi” prefix.

## Lessons 7-11:

- 1: D, because Columbus didn’t discover the Americas until 1492
  - 2: ghost writer
  3. Answers will vary.
  4. postdated WWII (1941-45) because he was elected in 1960
  5. (b) predator, because it does not use the prefix “pre-”
  6. Answers will vary but may include hilly, rolling, sandy, flat, rocky, harsh, muddy, rugged, level, (un)familiar, uneven, changed abruptly, slippery, impenetrable, broken, unbroken, tough, stark, unknown, dangerous, steep, uncharted, varied, wooded, diverse, mountainous, hazardous, urban, rural
  7. terrible, because it does not use the prefix terr-, meaning earth
  8. (d) anticipate, because it does not use the prefix anti-
  9. yes, because many birds walk, live and nest on the ground
  10. Answers will vary.
- EXTRA CREDIT: Answers will vary.

## Lessons 13-17

1. a small (short) series, instead of one, that runs for most of a year
2. Easter Island, Stonehenge, Australia \*
3. very small because micro- is a prefix that means small
4. small house
5. A dumb waiter may be run by electricity, but most of them are raised or lowered by hand, which means that it’s a job that would take a lot of effort, or elbow grease.
6. when he saw the D because ominous means threatening, warning of disaster
7. mini- or micro-
8. examples: pens, pencils, pencil case, notebooks, paper, calculator, eraser, compass, protractor
9. A teacher on a busman’s holiday might teach underprivileged children in another area, such as countries in Africa and Latin America; or he might help a friend in another school.
10. profoundly; produce department

\* Drawings will vary but should show a very large single stone structure.
